

Consulting Services

Approach the toughest situations, decisions and problems with confidence! TregoED consultants provide professional, impartial facilitation to collaboratively develop solutions to your most critical issues and district needs.

- **Plan for Improvement**

Lay groundwork for future success with clear direction, meaningful measures of success, alignment with overarching goals and actionable implementation and communication plans.

- Create school, departmental or district improvement plans to address goals
- Implement new federal, state or district initiatives
- Review, revise, or design policies and procedures
- Develop and implement key projects and initiatives with fidelity
- Strategic and comprehensive planning

- **Address High-Impact Decisions and Situations**

Maximize strategic and operational effectiveness by ensuring effective use of data, alignment with district priorities, and increased transparency and buy-in in all areas including Achievement, Student Health and Safety, Special Education and Operations.

- Tackle tough budget and school funding needs with defensible decisions
- Find root cause of critical disparities including student achievement, equity, operations issues
- Address specific issues such as chronic absenteeism or complex enrollment issues
- Think critically to avoid and/or address emergency situations

- **Handle Key Administrative Transitions**

Minimize disruptions and ensure smooth transitions with effective, collaborative planning that address the “people side of change”.

- Help develop and maintain a leadership pipeline through leadership development
- Manage change through transition planning, communication, professional development, etc.
- Utilize confidential one-on-one coaching to confidently face operational challenges.
- Ensure progress and completion of key projects and initiatives

TregoED consulting services gave us the guidance and impartial facilitation we needed to tackle some tough issues. The process helped us effectively use data, build trust and achieve the best possible results.”

Mike Daria, Ed.D., Superintendent
Tuscaloosa City School, AL
